Annual Dues Renewal

Between October and December of each calendar year, IA&B will distribute an Agency Verification Form (AVF) to each member agency. It will provide the agency a listing of full-time staff on record at IA&B. It is the responsibility of each member agency to complete and return the AVF within a specified time so that the membership renewal invoice accurately reflects the number of full-time staff in each agency. Notification of further changes following the return of the AVF is the responsibility of the agency. No adjustments will be made to dues renewal invoices after the annual dues renewal invoices have been mailed.
